

Frequently Asked Questions

- **How is the building funded?**

The project is to be funded through a number of sources including Section 106 monies from development sites together with fundraising opportunities and successful grant applications.

- **What events are planned?**

The multi use building will seek to provide opportunities for local clubs, events and private functions. The venue could also host larger social events and potentially a limited number of Wedding events

- **What are the timescale's at Planning?**

It is anticipated that a planning application will be submitted in September 2024, allowing for a determination by the end of the year. If funding and planning is successfully secured, we anticipate building could start in the next 2 years with an ambition for the new building to be operational within the next 3 - 5 years.

- **What are the timescale's for completion of the project?**

Subject to planning and funding being available, the project is seeking to commence on site in the Summer 2025 with an anticipated construction period of 18 months.

- **Who will own the building once complete?**

The ownership of the site and building will remain with the Landkey Parish Council, but with a secure long term lease to The Landkey Mazzard Hall Trust who will operate it on a day to day basis through a separate management committee.
